

ALICE IN WONDERLAND JR CAST LIST AND MATERIAL PICK-UP UPDATE

Hello William Land families! Thank you for participating in this year's Alice in Wonderland Jr auditions. Due to extra callback days this year, today's cast list posting and materials pick-up have been postponed. You will be receiving communication from Sacramento Theatre Company shortly notifying you what day your child is needed for December's cast workshop originally scheduled for December 4th, 11th, and 18th. Your child will receive notification to attend one of the three workshops. At this time, your child will receive their music, script, and role assignment. Please be sure to sign up for the Alice in Wonderland Jr REMIND notification system, as all future communication regarding rehearsals and the musical will be messaged through REMIND. All students will be casted and have materials prior to winter break. Thank you for your patience and support.
