

CARD

-a-THON

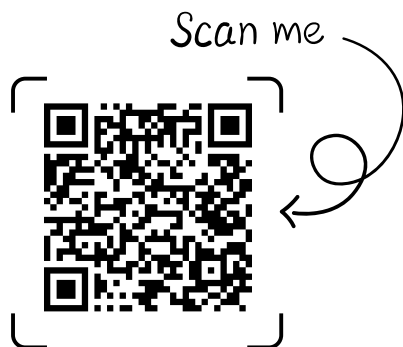

Dear Parents and Guardians,

We're excited to announce our very first **Card-a-Thon**, happening from **April 21-25**! This **fundraiser** will be a wonderful opportunity for our students to engage in a meaningful community service project while supporting our school. During the week of Serve-a-thon, **students will create greeting cards to be shared with seniors in retirement homes.**

Our donation drive starts today! Your generous contribution to our fundraiser helps empower students to become active, engaged members of their community and supports their involvement in meaningful community service projects.

Our **goal for the fundraiser is to raise \$8,000**, and we need your help to make this a success!
