

## William Land Drum Class: 2022-2023

Hello Parents and Students,

Thank you so much for your interest in Drum Class. I'm happy to announce that I'll be teaching the drum class this year. In the event that the class fills up and you do not get in, I will start a waiting list in order to maximize any potential availability. As in past years, priority will be given to returning students who **turn their drum class application in by the deadline.**

**Drum class registration opens on September 7th and closes on September 19th.**

Here are some important things to note:

- 1) Drum Class will be held on Wednesdays from 3:45 p.m. until 4:45 p.m. Only students in grades 3rd through 6th will have the option to join. The classroom will be following safety protocols which include: universal masking, use of hand sanitizer, ensuring 3 feet of distance between students, regular cleaning/sanitizing of materials and area, and other ways as deemed necessary. Masking may be subject to change based on district guidelines.
- 2) Drum Class is \$75 per student for the entire year. In addition, there will be a \$75 deposit for those who want to borrow a drum from the school. The deposit will be returned at the end of the school year, given the drum is brought back in undamaged condition.
- 3) Payment for Drum class, as well as the drum deposit will only be accepted electronically. You can use: Venmo or Zelle. If these are not possible, please let me know to coordinate another option for payment.
- 4) Parents and Students can sign up for Drum Class on the William Land School website. Please do not send money until you have confirmation that you are in Drum Class and you get instructions on how to pay. The **Registration window starts September 9th and closes on the 19th.** I will notify you after the 20th with more information.

Please feel free to contact me with any questions and concerns. Thank you.
