

Chess Club

William Land Elementary Chess Club is for all those interested in learning and playing Chess, in both a competitive and non-competitive setting. It is for students of all levels from beginner up. It teaches a number of important skills: logic; attention to detail; discipline; and understanding of difficult concepts to name, just a few. It is also fun! Chess is a game that can be enjoyed for a lifetime.

There will be some instruction and mostly game play to develop skills. We have some resources, DVD's and books available if students are looking to increase their skill levels.

The club is open to students from 1st grade to 6th and has limited space. Returning members will be given preference.

The Sacramento Elementary Championship usually takes place near the end of January. In the past we have done well. I encourage all to try and play a tournament.

William Land Elementary Chess Club wants all of its members to have fun playing chess. Here is a partial list of the club rules.

- 1) There is no eating allowed.
- 2) Always treat each other with courtesy and respect.
- 3) Never say anyone's chess move is dumb.
- 4) Students who continue to disobey the rules will be dropped from the club.

Thank you for your interest in the chess club!
