

August 19, 2024

Dear Parents and Guardians,

Welcome back to another exciting school year at William Land! We want to extend a warm welcome to both returning families and those who are new to our community.

At the heart of our school's success is the active involvement of parents like you. With your participation in PTA activities and volunteering efforts last year, we were able to achieve a landmark year in fundraising, provide extra school supply budgets for our classrooms, bring in a special art experience for the students in partnership with the Crocker Art Museum and upgrade the teachers lounge. This is all in addition to the programs and activities we normally fund each year. Our success would not be possible without you!

This year, we invite each of you to consider becoming more involved in our school community. Whether you have an hour to spare or can commit to a larger role, your contributions make a big impact. Our teachers, staff and students all benefit from your efforts, and the sense of community you'll gain from getting to know fellow parents and learning more about your child's educational environment will make your experience at William Land all the richer. We look forward to your ideas, enthusiasm and community.

Together, let's make this school year the best one yet!

Warm regards,

Your PTA Executive Board
