
Hello and Welcome from the William Land PTA

Dear William Land Families,

We hope that everyone had a safe summer. The 2020-2021 school year was one for the history books and this new school year will be yet another. For those of you who are new this year – Welcome to the William Land Family! For those of you who are returning – Welcome Back! LET'S GO LIONS!

This school year is our first year navigating to normalcy and will have its own set of challenges with new policies and rules. With that being said, the PTA Board is looking forward to working together with our William Land community to bring about all the fun and educational events and activities that we are planning for our children!

Throughout this school year, you will see your PTA dollars hard at work. While we are hopeful that we can restart some of our favorite annual fundraisers and traditions, please remain patient with us as they may still look different than years ago. Regardless, the money that we raise together will be used thoughtfully to support our teachers and our students with supplies, computer equipment, and online subscriptions to various educational resources. PTA funds are also used to help supplement the cost for our school's art and science programs and to encourage literacy by funding our Scholastic Reading Counts (SRC) program and prizes.

The PTA is here to support our kids and ensure that they have opportunities to flourish and discover their potential. Our goal is to provide programs that will positively impact our students and staff and inspire them to achieve great things.

We hope that you will support these incredible programs by joining our PTA this year. You can join the PTA at any time during the year for just \$10. Simply sign up online using the QR code/link below. Becoming a member does not commit you to volunteer in any way, although we welcome your help. Joining the PTA gives you voting privileges at meetings and helps make your voice heard. We invite and encourage the participation of all students, parents, grandparents, guardians, alumni and community members.

Prefer not to be a PTA member but still want to volunteer – not a problem! The PTA always welcomes new volunteers and ideas!!
