Dear William Land Families,

It is with deep sadness that we inform you of a loss to the William Land Elementary community. We learned that our Plant Manager, Mr. Chiotim Saeteurn (Mr. Tim), has passed away. *Out of respect for the family's privacy, this is all the information we have to share.* As a school community, we will keep Mr. Tim's family in our thoughts. This loss will inevitably raise many emotions, concerns, and questions for our entire school, especially our students.

Our school district has a Mental Health Crisis Response Team made up of professionals trained to help with the needs of students, parents, and school personnel at difficult times such as this. The Crisis Response Team will be available virtually to our schools site to support students and staff and their contact information is below.
